## 10<sup>th</sup> Annual Wheelchair Relay

The Student Physical Therapy Organization, MU School of Health Professions, MU Office of Disability Services, Four Winds Learning Community, and MU Wheelchair Basketball Team are teaming up to host 10<sup>th</sup> annual Wheelchair Relays. The event will be held on March 13, 2010 in Brewer Field House at the Student Recreation Complex from 10 am until noon. Teams of four will compete in a circuit of challenges while using wheelchairs. The event is open to teams from MU and the other local college campuses, as well as the Columbia area community at large.

Our goal is to increase disability awareness so that able-bodied persons better understand what it's like to live with a disability. The circuit activities include pushing a loaded grocery cart, playing sports, dressing, and maneuvering an obstacle course while in a wheelchair. Sign language jeopardy, traditional relay race, and disability education are also scheduled. All proceeds raised from the event will be going to the MU Tiger Wheelchair Basketball Scholarship Fund.

In order to make this day a success, we need your help. Your donation of \$125, or more earns you a spot on the back of this year's event T-shirt for your name or your company's logo. Contributions of any size are genuinely appreciated. All checks may be made payable to MU Tiger Wheelchair Scholarship Fund.

You are also encouraged to attend the Wheelchair Relays to cheer on the contestants or participate on a team of your own.

Thank you for all of your support!
